

Masterlinks

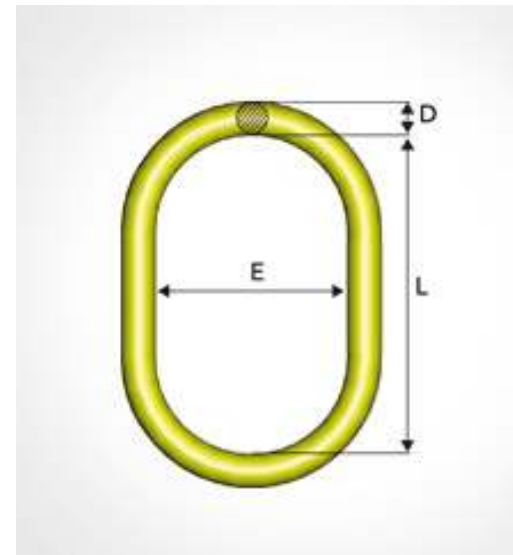

We hold sets of regular and large series masterlinks in both grade 80 and grade 100, stocking only known quality brands like PWB Anchor and Gunnebo to ensure safety.

Usually used as the head ring for large wire rope or chain slings the masterlinks or rings as sometimes called have many other rigging applications.

We hold the manufacturers original mill certs and provide a certificate of examination to the customer and tagged in accordance with industry requirements.

WLL	Grade	Length	Width <u>E</u>	Thickness <u>D</u>	Weight	Brand
13.8t	80	160mm	80mm	30mm	2.7kg	PWB
21.6t.	80	180mm	90mm	32mm	3.7kg	PWB
21.6t	80	300mm	150mm	40mm	8.5kg	PWB
54.5t	80	410mm	220mm	60mm	30kg	PWB
72t	100	375mm	210mm	60mm	26.4kg	Gunnebo
100t	100	450mm	250mm	70mm	42.8kg	Gunnebo
250t	100	600mm	400mm	125mm	190kg	Endenburg
