

CALL 8360 8910

Australia's best range of quality heavy rigging gear

Steel Test weights

Dynamic Rigging Hire have available for hire a selection of solid steel weights from small 10kg and 20kg verified weights right through to 500kg, 1.0t, 2.0t and 4.5t solid steel weights that are all verified and stamped.

Our smallest steel weights start in 10kg blocks that are small enough to manually handle into elevators, the 25kg weights have a verification certificate showing accuracy of $\pm .002\%$.

Also available is a large range of rigging gear like chain slings, shackles and calibrated load cells.

Dynamic Rigging Hire can provide all you load testing weight and logistics requirements for load tests to 200t

Weight increment	Multiples of	Measurements (mm)	Rated lifting points
20kg	100	250 x 150 x 180	No
550kg	4	900 x 790 x 100	Yes
1050kg	10	1960 x 600 x 130	Yes
4500kg	4	1975 ϕ x 176	Yes

Call for more information and how we can assist with transport to and from site, we can also provide on-site personnel and other related rigging gear like chain sets where required.
